Application Procedure  
GUIDELINES FOR PROJECT PROMOTERS

## Introduction

The Atlantic Project Awards are designed to honour outstanding success stories, achieved by projects in the geographical area covered by the Atlantic Strategy and with relevance to the implementation of the [Atlantic Action Plan](#). The Atlantic Project Awards, organised by the Support Team for the Atlantic Action Plan, showcase and promote individual winners and highlight the incorporation and scaling up of best practices at regional, national, European and international level.

The Atlantic Project Awards aim to make the Atlantic Strategy more visible to the general public by promoting the key priorities of the Atlantic Action Plan and its achievements across the Member States covered by the Atlantic Strategy.

Follow up actions will be undertaken to increase winner project publicity i.e. dissemination actions through the Support Team's web based communication channels (electronic publications and social media).

The [First Atlantic Project Awards](#) and the [Second Atlantic Project Awards](#) were respectively organised in September 2016 in Dublin during the [ASPC2016](#) and in Glasgow during the [ASPC2017](#) .
